This template is designed for a pressed flower butterfly suncatcher.

Use it to create a beautiful window decoration with real flowers, leaves, or tissue paper!

Cut around
the outer line

Cut out the inner
wing areas (leaving
the border)

How to Use This Template:

- 1 Print page 2 directly onto cardstock.
- 2 Cut out the outer butterfly shape.
- 3 Cut out the inner wing areas, leaving the solid border.
- 4 Add contact paper, pressed flowers and seal with another layer of contact paper.
- 5 Trim the edges and hang in a sunny window!
